

Expect to bank from  
your mobile

## How does TSB Bank TXT work for you?

TXT Banking allows you to access your accounts 7 days a week 24 hours a day from anywhere in New Zealand that you can get mobile phone coverage.

You don't need to find an ATM machine to check your account balance. You can check if your wages have been deposited, or transfer money from your savings account to your cheque account while in town shopping.

Important info: TSB Bank receives a commission on each TXT Banking message. TSB Bank TXT Banking is only available in New Zealand and operates with both Vodafone and Telecom SMS capable phones.

At TSB Bank, we like to make things as simple as possible for our customers. If you're pushed for time or need to access your accounts while you're on the move, no problem.

TSB Bank TXT Banking is a brand new service for anyone with a mobile who uses TSB Bank Homebank internet banking. It's the easy way to check your balances, look at recent transactions and transfer funds between your accounts – all from your mobile!

## Expect signing up to be easy.

To access TXT Banking:

1. Logon to TSB Bank Homebank internet banking.
2. Select the "TXT Banking" menu option.
3. Enter your mobile number.
4. Enter a "shortcode" of up to 5 characters for each account you want to have access to via TXT Banking i.e 'save' or 'bills'.
5. If you want to be able to transfer funds between your TXT Banking accounts tick the "Allow Transfer" box.
6. Then simply click on the "Enable and update TXT Banking Details" button and you're away.

## What if I no longer want TXT Banking?

Simply TXT "DIS" to 872 or logon to your internet banking, select the "TXT Banking" menu option and click the "Disable TXT Banking" button.

## What does it cost and how does it work?

- Setting up TXT Banking won't cost you a cent, and even better, there are no monthly or annual fees.
- To use TSB Bank TXT Banking simply type in a command and send your text to 872 (TSB). You should receive a response within 30 seconds. (For a full list of commands see [www.tsbbank.co.nz](http://www.tsbbank.co.nz) or text HELP to 872).
- Free texting or other text specials do not apply to TXT Banking. You will be charged 40 cents for every text message you send to 872 (TSB). Your mobile provider will charge this to your mobile phone account.

If your mobile phone is lost or stolen please disable your TXT Banking via the TSB Bank HomeBank website.
